1 Products Narrative

Here we describe the key products marketed by our organization

2 Products

2.1 Product 1 - Monicur Journey

Survey for College program trainees developed to manage and track career development information through frequent outreach and survey updating by end users.

2.2 Product 2 - Monicur Link

Web-app based smart phone application for exchange of business contact information between individuals. Marketed as a living digital business card that updates contact information automatically.

2.3 Product 3 - Monicur Event

Web based application that allows for event coordinator development and attendee registration through Monicur profile information.

2.4 Product 4 - Monicur Holos

Human Resources-like CRM to manage College Program students and trainees. This is a static system that can be edited by Administratiors to be a single source of truth for generating reports to monitor demographic, career outcome, and advancment metrics.
